(2). Whether as recommended by the Senior Surgeon certain Assistant Surgeons who were passed over on previous occasions viz messrs David, Appadoray Mudaliar & Sethapati Rao - should now be promoted as Surgeons or should they be passed over. Their representations are in the file.

(3) It is also a question whether the 1st & 2nd class of Surgeoncies except should not be strictly restricted to men of real merit apart from seniority & the place should be filled only by men considered quite fit to take charge of important medical institutions in the State.

14 These questions may be considered in Council.

15 In this note only 4 vacancies are shown in the grade of Surgeons 1st grade - But the draft notification shows 5 vacancies. The latter seems to be correct, the vacancy caused by the absence of Mr. C.A. Nair appears to have been overlooked in the latter note considerations. There will be 6 to fill vacancies when which may be filled up later as caused by the absences on leave of Dr Athavale Mr.

16 The no. of vacancies in the Surgeon's grade, put down at 7 in the draft referred to in para 9, has been verified by the Comptroller, vide para 10. This no. includes also two vacancies on a/c of the absences of Messrs. C.A. Ranjappa & S.G. Asirvatham on leave. The latter has been granted privilege leave for 2 months & 14 days together with furlough for one month & 19 days from 29th Oct 1920.

17 Two vacancies in I grade of Asst Surgeons have to be absorbed and these are due to the supernumerary appointments in that grade of Messrs J.C. Naranha & M. Kasim. One vacancy in that grade in the men's cadre has to be reserved for Miss Michael's apptt. but as proposed in the draft officiating arrangements made against a specific vacancy will terminate as soon as this lady reports herself for duty.

1b The latest notifications sanctioning promotions in the grades of Surgeons and Assistant Surgeons are those dated the 18th October 1919 and 28th June 1920. In the latter notification account had not been taken of certain vacancies which had previously occurred. A separate women's cadre has been created from the 27th July 1920. In the subjoined notes the promotions which would be admissible to the several officers in the grades of Surgeons and Assistant Surgeons up to the date of the formation of a separate women's cadre, are indicated on the assumption that promotions are to be given from grade to grade according to the order of seniority. (It should however be noted that promotion to and in the grade of Surgeons are, under para (i) (a) of G. O. of the 13th July 1918, to be by selection and according to merit).

Final Note by the ~~Third~~ Member of Council.

Subject:-

Promotions in the grade of Surgeons and Assistant Surgeons.

There are a large number of vacancies in the grades of Surgeons and Assistant Surgeons owing to the following circumstances:-

(1) Death of Miss Ayachammal, Surgeon 3rd Class, on 21st June 1919;

(2) Grant of privilege leave to Mr.S.Ranganna, Surgeon, 4th Class and his retirement from 15th July 1920;

(3) Retirement of Mr.W.Srinivasa Iyengar, Surgeon, 3rd class, from 20th May 1920;

(4) Appointment of Mr.C.A.Nanjappa as Officiating Senior Surgeon from 1st July 1920;

(5) Transfer of Mrs.Mary J.Whale, Surgeon, 3rd Class, (vacancy only in 3rd class) into the cadre for Lady Medical Officers;

(6) Grant of privilege leave to and retirement of Dr.(Miss) R.Govindarajulu, Surgeon, 2nd class (vacancy available up to and inclusive of Surgeon, 4th class) from 5th January 1921;

(7) Grant of combined leave to Mr.S.G.Asirvatham, Surgeon;

(8) Appointment of Mr.H.B.Mylvaganam as Officiating Senior Surgeon consequent on the grant of combined leave to Mr.C.A.Nanjappa;

(9) Death of Mr.C.A.Nanjappa.

2. Miss. Ayachammal's vacancy was ordered to be reserved, to admit of the recruitment of a Lady Doctor of high qualifications (Government Order No.Camp.215-16 dated 4th October 1919). The appointment of Miss M.C.Albuquerque as Assistant Surgeon, I grade, was ordered later on against this vacancy.

T

P

3. The latest orders sanctioning medical promotions are those dated 18th October 1919 and 28th June 1920. In these orders while appointments and promotions were sanctioned in the cadre of Assistant Surgeons

T & P

two

two excess appointments were made in the 1st grade of Assistant - Surgeons against vacancies existing in the grade of Surgeons. These have to be absorbed when the vacancies in the Surgeons' grade are filled up.

4. A separate cadre for Lady Medical Officers was sanctioned in N Government Order No.G.1964-74/Med.52-19 dated 27th July 1920 and proposals for allocation of the Officers in this cadre form the subjec matter of the linked file.

5. The question of promotions has to be considered in two parts -- one on account of promotions due to all officers in original composite cadre up to the date of formation of separate cadre for Lady Medical Officers and the other in respect of vacancies arising in the men's cadre after the separation of the women's cadre.

6. The late Senior Surgeon, Mr.C.A.Nanjappa, in submitting his K proposals in respect of vacancies 1 to 4 above, stated that as Govern-ment had decided to entertain Dr.(Miss) Jhirad as a Surgeon vice Dr.R. Govindarajulu (since retired) Miss Ayachammal's vacancy may not be kep open any longer and the question of filling it up may be taken up alon with other vacancies specified and that he would leave to Government the question of selection of Assistant Surgeons 1st grade for promo-tion to the Surgeon's grade as the claims of the three Senior Officers of the grade viz., Messrs. G.S.David, C.Appadorai Mudaliar and Mr.A. Seshagiri Rao had been passed over for reasons of which he was not aware. The present Officiating Senior Surgeon Mr.H.B.Mylvaganam has Y strongly recommended (with reference to the representations of Messrs. David and Appadorai Mudaliar) that the claims of these officers may be considered favourably in connection with the proposals on hand. These Officers had been superseded in the past on account of the - adverse opinion of the then Senior Surgeon, Mr.T.V.Arumugam Mudaliar.

7. The subject was considered in Council on the 7th April 1921 Page 15 of Office Note when it was informally resolved:-

(1) that all promotions which fell due before a separate cadre of women doctors was formed should be allowed;

(2) that Messrs. David. Appadorai Mudaliar and Seshagiri Rao who were passed over formerly might be given a chance now and promoted as Surgeons;

(3) that no places can be reserved for the appointment of men with European qualifications;

(4) that the proposal to pass over Mr.Varadaiengar be not approved;

(5) that for the 2 places of Assistant Surgeons thrown open to Sub Assistant Surgeons Mr.Khuddus and Mr.Framji who have been recommended by the Senior Surgeon be selected, and

(6) that lists of promotions be revised on the above basis.

8. The lists were accordingly revised and considered again in Council with a draft notification on the 17th May 1921 when it was resolved that the draft notification may be approved.

Page 28 of office Note

9. Later at the same meeting the proposals made by me for effecting retrenchments in the Sanitary Department were considered. One of the proposals is that the post of District Medical Officers in Bangalore and Mysore Districts be abolished. The Council in accepting these proposals has noted as follows:-

Page 29 of do

"Two places in the cadre of Assistant Surgeons to be kept open to absorb the District Medical Officers of Bangalore and Mysore. Promotions proposed in the other file to be modified"

10. Of the two places of District Medical Officers one has become vacant on account of the unfortunate death of Mr.Kuppuswami Mudaliar and his place will not be filled up. The other place of District Medical Officer (of Mysore) will be absorbed on the retirement of Mr.V.Abboy Naidu, Surgeon, on the 1st July 1921.

11. The retrenchments proposed in the Sanitary Department also involve the reversion of Mr.Fernandez, Health Officer of Kadur District, to the Medical Department. As against this however, there is a -

vacancy caused by Mr.B.Ramaswamy Iyengar, Assistant Surgeon, 2nd grade not joining his appointment. Recently the appointment of Mrs.Saldanah Fernandez has been sanctioned as Assistant Surgeon of the 2nd class. This involves an excess of one in the cadre of Lady Medical Officers, which may be treated as an additional appointment of Assistant Surgeon, II grade, against a vacancy in the grade of Lady Apothecaries - vide para 5 of Government Order No.G.1964-74/Med.52-19-3 dated 27th July 192(

N

The whole question of the cadre of medical officers has to be re-examined and this will be done at an early date in consultation with the Senior Surgeon.

Draft for approval

12. The draft notification in the file may accordingly be graciously approved.

Sir,

In enclosing a Memorandum showing the vacancies in the sanctioned strength of the several grades of Medical officers I have the honor to state as follows.

It does not seem fair to indefinitely keep open the vacancy in the third class of Surgeons (due to the death of Miss. Ayachammal) in anticipation of the appointment of a suitable woman doctor. A vacancy in the higher class of Surgeons is expected to occur on the retirement of Miss. R. Govindarajulu and a Lady Surgeon has already been appointed by Government to take her place. And, as only two surgencies have been sanctioned for the Women's cadre the proposals contained in the Memorandum will not clash with the arrangement. When final orders are passed on the allocation of the women doctors in the new cadre, necessary adjustment of the men-surgeons in the 14 places left ~~furnt~~ for them will be made.

In filling up the vacancies in the last class of Surgeons by promoting 1st Grade Assistant Surgeons, I would leave the selection in the hands of Government, as the three senior officers in the list, viz., Messrs. David Appadorai Mudaliar and Seshagiri Rao have been passed over

Submitting for sanction proposals to fill the vacancies in the Medical grade

I have the honor to state as follows.

It does not seem fair to indefinitely keep open the vacancy in the third class of Surgeons (due to the death of Lieut. Vasudevan) in anticipation of the appointment of a suitable Indian doctor. A vacancy in the highest class of Surgeons is expected to occur on the retirement of Lieut. R.Govindarajulu and a lady Surgeon has already been appointed by Government to take her place. And, as only two vacancies have been sanctioned for the Indian cadre the proposals contained in the Memorandum will not clash with the arrangement. When final orders are passed on the allocation of the women doctors in the new cadre, necessary adjustment of the non-surgeons in the 14 places left vacant for them will be made.

In filling up the vacancies in the last class of Surgeons by promoting 1st Grade Assistant Surgeons, I would leave the selection in the hands of Government, as the three senior officers in the list, viz., [illegible] have been already [illegible] and Government has been pleased to

in the past, for reasons which I am not aware of.

Advantage has also been taken to give promotion to two deserving men in the Sub Assistant Surgeons' Cadre as required by Government in the Re-organisation Scheme, a step which, if sanctioned, will give much encouragement to the members of that cadre. Mr. Abdul Khudus had a very successful career in the Medical College, having won distinction in almost all the subjects and his record of service has also been good. Mr. Framji has had special training in Pathology and Bacteriology and is now doing in the Krishnarajendra Hospital, the same work which in the Victoria Hospital, is being done by Assistant Surgeon Mr. C.Krishnaswami Rao. The recommendations made in favor of these two Sub Assistant Surgeons may also be sanctioned.

It will be seen from the above, that against the sanctioned number of 16 Surgeons and 16 ~~1st~~ First Grade Assistant Surgeons, there were only 14 Surgeons and 17 ~~1st~~ First Grade Assistant Surgeons on the 15th April 1920, leaving two short in the Surgeons' Grade and one in excess in the 1st Grade of Assistant Surgeons.

3. Of the two vacancies in the Surgeons' Grade, the one in the third class (due to the death of Miss. Ayachamma) is a substantive one and that in the 4th class an acting one, during the period of privilege leave granted to Mr. S. Ranganna.

But this has not been possible till now and it is not desirable to leave the vacancy unfilled for an indefinite period to the projudice of the officers serving in the department. I therefore recommend the promotion of Mrs. Mary J. Whale, from the 4th to the 3rd class, with effect from 12th February 1920, which will be one year after her promotion to the 4th class. Of the two vacancies in the Surgeons' Grade, the one in the third class (due to the death of Lieu.Ayyasamy) is a substantive one and that in the 4th class an acting one, during the period of privilege leave granted to Lt.S.Rangamma.

In G.O.No.Comp 6.215-16, dated 4th September 1919, the vacancy in the 3rd class was ordered to be kept open to permit the recruitment of a competent Lady Medical Officer. But this has not been possible till now and it is not desirable to leave the vacancy unfilled for an indefinite period to the prejudice of the officers serving in the department. I therefore recommend the promotion of Lieu. Lady I.Thale, from the 4th to the 3rd class, with effect from 12th February 1920, which will be one year after her promotion to the 4th class. Sir,

I have the honor to forward herewith, for favorable consideration and orders, the enclosed representations (in original, to be obligingly returned when done with) addressed to me by Messrs. G.S.David and C. Appadoray Mudaliar, 1st Grade Assistant Surgeons, praying for promotion to the Surgeons' Grade and to state as follows.

2. These two officers and Mr. A. Seshagiri Rao (now attached to the Palace Establishment) have been allowed to be superseded by four junior officers in the allocation ordered in G.O. No.11538-9-Med.29-18-2, dated 14th December 1920 and again by two other juniors under G.O.No.G.215-6, dated 4th September 1919.

3. Although these supersessions were ordered on the strength of the representations made in this office letters No. G.C.81-2, dated 10th August 1918 and No.G.C.557, dated 2nd April 1919, respectively, yet on going through the letters carefully, I find that, beyond the general remark that the officers referred to therein "are unworthy of being made Surgeons", there is nothing in the file to show that the officers had any specific disqualification, professional or otherwise, sufficient to justify their being permanently debarred from promotion to the Surgeons' Grade.

Med 16-18-8

4. Considering their cases individually, Mr.David has had his post-graduate training, qualifying him for District charge

charge, unlike the several junior Assistant Surgeons who have not had the training and are yet in medical charge of districts, and he has also done very good work in his time and won the appreciation of former Senior Surgeons. It is not uncommon for Executive Officers, particularly if they happen to be rather too strict, to earn the displeasure of their subordinates and through the instrumentality of the latter, the displeasure of an interested section of the local public. But against the complaints made against Mr. Mr. David, there are also appreciations from the public of the educated and well informed class. I have had occasion to see his work for the past nine months, he has been in charge of the Lunatic Asylum, where he has been showing a keen interest and initiation and is doing very good work.

5. Mr. Appadoray's personal files go to show that he has been uniformly popular wherever he was posted. He too had his post-graduate course which qualified him for a district, that is to say, a Surgeon's, charge.

6. If those officers, when sent out to districts after a satisfactory post-graduate course, deteriorated (particularly in the surgical line) it was entirely due, in my opinion, to the fact that the district hospitals were ill equipped and lacking in facilities for any surgical work worth the name and the fault, at all events, cannot be attached to them. Any surgeon of repute is bound to get rusty and inefficient if kept for a long time in a place where he cannot help being out of touch with surgical work.

7. Moreover, the term efficiency is only a relative one where the personal equation is, unfortunately more often than not, allowed to come in and cases will not be wanting in which a public servant adjudged to be efficient by one officer might be found to be quite inefficient by another, or vice versa. There has been no definite standard laid down for determining the efficiency or otherwise of an officer.

8. Another

8. Another point that I cannot understand is that thore has been no order or pronouncement declaring these officers as unfit for any charges allotted to Surgeons and yet they are only proposed to be shut out, all their lives, from the benefit of a Surgeon's pay and emoluments although there is nothing to prevent their being posted to any of the Surgeons' charges.

9. I can therefore see little justification for their promotion to the Surgeons' Grade being held back any longer and I strongly recommend their cases being favorably considered in connection with the promotions already recommended to Government in this office letter No.G.C.110, dated 8th September 1920 which is now before the Government.

10. If the Government still think that they cannot be promoted to the Surgeins' Grade, I would rather have them out of the department than kept on in this state of discontent and humiliation making them unfit for useful work.

I have the honor to be,

Sir,

Your most obedient servant,

K.B. Mukherjee

1. I have the honour to bring to your kind notice that, as there are some vacancies in the various grades of ------ Surgeons of the Department, I feel that I have an opportunity of getting rid of the heart-ache and humiliation I --- have been enduring these three years by reason of my claims for promotion having been overlooked.

3. In addition to what I have stated in the above noted letter (enclosure marked 1), I have to state that enclosure 2, is a petition in original from the foremost men in the - town of Chickmagalur, to move the Government of H.H. the -- Maharaja of Mysore to keep me at Chickmagalur when I was --- under orders of transfer from there to Kolar in 1914. ----

It is enough I beg to say that I have suffered and lost much these three years, for no fault of mine, and that my appeal to you now may be generously considered - and that I may be promoted to the place I ought to have been had not my claims been overlooked in the 1st instance (i.e) in the allocations of 1918.

Sir,

I have the honor to bring to your kind notice that having heard, that a number of my juniors in Service are likely to supersede me in the allocations to the newly organised scales of our Department, I am anxious to state ~~that~~ my claim for my legitimate place in the scale Viz: in the 5th class of Surgeons and beg of you to forward this letter to Government with your kind support.

1. I have completed 23 years service and for the past nearly 16 years I have held the position of District Medical and Sanitary Officer with a break of only one year when at my own request. I was sent to the Victoria Hospital for Post Graduate course.

2. Never in these 23 years I was withdrawn from independent charge on grounds of inefficiency or other causes.

3. I have never been superseded by any one these 23 years nor has my promotion at any time been stopped.

4. For the past 7 years I have had no promotion for the simple reason that there was no vacancies in the next higher grade for me.

5. I know that Col: Hegann, Col Benson, Col: Smyth and Col: Brackman appreciated my work and have left bright records

same.

6. In your own inspections, Sir, of the Civil Hospitals that have been under my direct charge, during your regime these 5 years, I venture to say that you found nothing unsatisfactory and your inspections have always been a source of encouragement to me.

7. In the year 1907 I was recommended to Government by the then Senior Surgeon as an Officer deserving to be sent to England for study, but the Government declined as there was no allotment in the Budget that year for the purpose.

8. In the year 1914 when I was transferred from Chikmagalur the people of the place wired to the Government and to you for permission to present me with a valuable souvenir in appreciation of my popularity and the intelligent Medical and Surgical work I did among them, but Government for some reason not known to me did not grant permission.

9. In the Medical Administration Report of 1907-08 my name was among the Medical Officers who performed the largest number of operations.

10. In the following year though I was entirely connected with the Medical Wards of the Victoria Hospital I did over 100 Major operations.

11. In conclusion, Sir, I beg to state that not one of the juniors who is to supersede me has done any more merritorious work than what I have done wholeheartedly in the service of the State. I therefore appeal to you to see that justice is done to me.

I have the honor to be,

Dated 8-12-20

Sir,

I beg to invite kind attention to my prayer No 2574 dated 7-5-1919 from Chitaldrug (a copy of which is herewith submitted) that my claims for promotion, in the usual course, to the -- Surgeon's grade may kindly be considered and to request that -- owing to recent changes in the personal of the adminstaration of the Medical Department, and the vacancies caused by the arrangements made in that connection, my case may kindly be dealt with favourably not only on the ground of seniority, but also on its merits. That I have done my duty to the satisfaction of the -- public will be amply borne out by the send off and the presents (noted in the margin) I have had from the districts where I served and the feeling way in which the public expressed themselves in parting with me and my services.

After obtaining the permission of the Govt: sanction;--

1. Addresses at Hassan, Shimoga, Tumkur and Chitaldrug
2. A gold watch and chain worth about Rs300/ at Tumkur in 1911
3. A purse containing Rs 650/- from Shimoga in 1919
4. A Souvenir from Chitaldrug in 1920.

Some of the copies of the above references are herewith submitted.

That I have been recently entrusted with the important work of attending upon the members of Government as well as the principal officers of the State in the -- metropolis, also shows clearly to indicate the confidence the -----

the authorities have in my professional capacity.

It only remains for me to pray that at least this time I will be given what is my due, namely, a place in the Surgeon's grade.

For which act of kindness I shall ever be grateful to you,

I beg to remain,
Sir,
Your most obedient servant,

To

C. Appadurai Mudaliar Esq., L. M. & S.

District Medical Officer,

Sir,

WE, the citizens of Shimoga, beg leave to give public expression to our high sense of appreciation and our deep sense of gratitude for the kind and philanthropic services you have rendered during your stay amidst us to suffering humanity especially in these malnad parts.

YOU came amongst us more than five years ago and during this period which to us looks but too short, have strongly endeared yourself to the public by the ideal qualities of patience and affability, all your own pre-eminently becoming the noble profession to which you have the honor to belong. The ease with which you were accessible to all alike and the readiness and cheerful alacrity with which you responded to all calls, at all odd hours, no less from the indigent than the affluent, have made you truly popular and in no conventional sense. The supreme selflessness with which you brushed aside your bare physical needs arising from hunger and want of rest or sleep in the face of a call, showed to us how indeed yours was a labour of love. The noble and unflinching services you rendered to the stricken people during the fell epidemic of Influenza can never be forgotten by us.

WE fondly cherished the hope that we may have you amidst us for a few more years. But the exigencies of service seem to have been paramount and you have in consequence to leave us. For ourselves, it is not without regret that we have to part with you. But it is not fair for us to wish your sphere of usefulness confined to ourselves only. And we are sure, wherever you go you will, as is natural with you, whole heartedly and in the most unreserved manner place yourself at the services of suffering people that may come under your kind notice. We fervently pray, Almighty may shower on you and your family His choicest blessings and give you health and strength to long continue in your noble career of usefulness to humanity.

WITH these our hearty wishes, we present you, Sir, with this purse, as a memento of our sincere appreciation of your invaluable services and as an humble token of our heartfelt gratitude to you therefor.

We subscribe ourselves,
Sir,
your loving citizens of Shimoga.

D. O. No. G.C. 110-2

Bangalore, 24th December 1920.

Dear Sir,

Referring to our conversation of the 22nd instant when I saw you by appointment, I enclose a copy of this office letter No.G.C.110, dated 8th September 1920, submitting certain proposals to fill up the vacancies that existed in the department at the time.

In para 2 of the letter, Dr.Nanjappa leaves it to Government to select the 1st Grade Assistant Surgeons to fill up the vacancies in the Surgeons' Grade. In this connection, I beg to inform you that I have already submitted to Government, officially, the representations received ~~from~~ Messrs. G. G.S.David and C. Appadorai, praying for promotion to the Surgeons' Grade, and have recommended their cases being favorably considered, as I feel no hesitation in saying that they are in no way less deserving to be in that grade than some of the officers who were allowed to remain there by the allocation order of December 1918.

I therefore suggest that the vacancies in the last class of Surgeons may be filled up by promoting, in the order of precedence,

1. Mr.G.S.David;
2. Mr.C.Appadorai Mudaliar;
3. Mr. A.Seshagiri Rao and
4. Mr.D.S.Puttanna.

I request that very early orders may kindly be passed as the officers concerned have already waited long for the promotions due to them.

Yours sincerely,

H.B. Mysore

M. Humza Husein Esq., B.A., B.L.,

Member of Council, Bangalore.

Referring to our conversation of the 22nd instant when I saw you by appointment, I enclose a copy of this office letter No.G.C.11C, dated 8th September 1920, submitting certain proposals to fill up the vacancies that exist in the department at the time.

In para 2 of the letter, Dr.Deraadpa leave it to Government to select the 1st Grade Assistant Surgeons to fill up the vacancies in the Surgeons' Grade. In this connection, I beg to inform you that I have already submitted to Government, officially, the representations received from Messrs.D C.S.Navada and B. Appadorai, praying for promotion to the Surgeons' Grade, and have recommended their cases being favorably considered, as I feel no hesitation in saying that they are in no way less deserving to be in that grade than some of the officers who were allowed to remain there by the allocation order of December 1918.

I therefore suggest that the vacancies in the last class of Surgeons may be filled up by promoting, in the order of precedence,

1. Mr.C.S.David;
2. Mr.C.Appadorai Mudaliar;
3. Mr. A. Sanhagiri Rao and
4. Mr.D.S.Puttanna.

I request that very early orders may kindly be passed as the officers concerned have already waited long for the promotions due to them.

Yours sincerely,

Office of the Senior Surgeon, Mysore Govt.

Dated Bangalore, 8th September 1920

No.G.C.110.

From

The Offg. Senior Surgeon with the Government of
H. H. the Maharaja of Mysore, Bangalore.

To

The Chief Secretary to the Government of
H. H. the Maharaja of Mysore, Bangalore.

Sir,

In enclosing a Memorandum showing the vacancies in the sanctioned strength of the several grades of Medical Officers I have the honor to state as follows.

It does not seem fair to indefinitely keep open the vacancy in the third class of Surgeons (due to the death of Miss.Ayachammal) in anticipation of the appointment of a suitable woman doctor. A vacancy in the higher class of Surgeons is expected to occur on the retirement of Miss.R.Govindarajulu and a Lady Surgeon has already been appointed by Government to take her place. And as only two surgeons have been sanctioned for the womens cadre the proposals contained in the memorandum will not clash with the arrangement. When final orders are passed on the allocation of the women doctors in the new cadre, necessary adjustment of the men-surgeons in the 14 places left for them will be made.

In filling up the vacancies in the last class of Surgeons by promoting 1st Grade Assistant Surgeons, I would leave the selection in the hands of Government, as the three senior officers in the list, viz., messrs.David, Appadoray Mudaliar and Seshagiri Rao have been passed over in the past. for reasons I am not aware of.

Advantage has also been taken to give promotion to two deserving men in the Sub Assistant Surgeon's cadre as required

required by Government in the re-organisation scheme, a step which, if sanctioned, will give much encouragement to the members of that cadre. Mr.Abdul Khudus had a very successful ~~curr~~ career in the Medical College, having won distinction in almost all the subjects and his record of service has also been good. Mr. Framji has had special training in Pathology and Bacteriology and is now doing in the Krishnarajendra Hospital, ~~th~~ the same work which, in the Victoria Hospital, is being done by Assistant Surgeon Mr.Krishnaswami Rao. The recommendations made in favor of these two Sub Assistant Surgeons may also be sanctioned.

As the several vacancies have existed for some time now, very early sanction to the proposals made in the Memorandum and the issue of notifications ordering the several promotions at an early date, is earnestly solicited.

I have, etc.,

(Signed) C. A. Nanjappa,

Offg. Senior Surgeon.

Government having sanctioned, in their Notification No.G.28316-Med.33-19-35, dated 28th June 1920, certain promotions of Medical Officers, with retrospective effect, the Gazetted Staff of the Medl. Department may be said to have stood as shown below, on the 15th April 1920, the date on which Mr. S.Ranganna was relieved of his duties on three months' privilege leave preparatory to his retirement from the service.

S u r ge o n s (16).

15. " N. Rangachar.)		
16. " S.G.Asirvathum.)		

Assistant Surgeons 1st Grade.16.

1. Mr. G.S.David.	9. Mr. B.Nanjappa.
2. " C.Appadorai.	10. " B.Krishnamurthirao
3. " A.Seshagiri Rao.	11. " N.S.Nunjundaiya.
4. " D.S.Puttanna.	12. " T.Balakrishna Mdr.
5. " F. Noronha.	13. * Miss.A.G.Allen.
6. " C.Rajagopal Mdr.,	14. Mrs. M.Uchgavakar.
7. Mrs. B.Perriton.	15. Mr.K.Srinivasachar.
8. Mrs.S.Narayana Rao.	16. Miss.M.C.Albuquerque.

17 Mr. J.C.Noronha

Assistant Surgeons 2nd grade. 19 plus 2.

These are as shown in the quarterly civil list corrected up to 1st July 1920.

2, It will be seen from the above, that against the sanctioned number of 16 Surgeons and 16 First Grade Assistant Surgeons, there were only 14 Surgeons and 17 First Grade Assistant Surgeons on the 15th April 1920, leaving two short in the Surgeons' grade and one in excessin the 1st grade of Assistant Surgeons.

3. Of the two vacancies in the Surgeons' Grade, the one in the third class (due to the death of Miss.Ayachamma) is a substantive one and that in the 4th class an acting one, during the period of privilege leave granted to Mrs. S.Ranganna

4. In G.O.No.Camp.G.215-16, dated 4th September 1919, the vacancy in the 3rd class was ordered to be kept open to permit the recruitment of a competent Lady Medl.Officer. But this has not been possible till now and it is not desirable to leave the vacancy unfilled for an indefinite period to the prejudice of the officers serving in the department. I therefore recommend the promotion of Mrs. Mary J.Whale, from the 4th to the 3rd class, with effect from 12st February 1920, which will be one year after her promotion to the 4th class. Other consequential promotions with effect from the same date will be

1. Mr. Md.Usmon from 5th class to 4th class.
2. ". B.G.S.Acharya 6th class to 5th class.
3. " An assistant surgeon I grade to 6th class surgeon.

The above arrangement will being the number of 1st Grade Assistant Surgeons to 16, the sanctioned strength.

5. In the vacancy of Mr. S.Ranganna in the 4th class, the following acting promotions are admissible with effect from the 15th Aprl. 1920.

1. Mr. V.Muthusami Doss, from 5th to 4 th class Surgeon.
2. " B.K.Narayana. " 6th to 5th -do-
3. Another 1st grade Asst Surgeon. 6th -do-

4. Mrs. R.Isaac Asst:Surgeon 2nd Grade - to Asst;Surgeon 1st Grade.

5. Vacancy in the 2nd Grade of Asst:Surgeons. to be filled up by promoting a Senior Grade Sub Asst:Surgeon. I recommend the promotion

of Mr. K.Abdul Khudus Senior Sub Assistant Surgeon on Rs.80, to Assistant Surgeon, 2nd Grade, on Rs.120/- the minimum pay of the grade, as a special case, although according to rules he will be entitled to his pay Rs.80/- plus 20% of Rs.120/- (or Rs.24) actg. allowance, or Rs.104, It may be noted that he now draws a charge allowance of Rs.10/-. So that my proposal amounts to granting him only Rs.6 more than his present salary and the usual acting allowance. His seniors are all superannuated men.

6. The retirement of Mr. W.Srinivasiengar, with effect from the 20th May 1920, ordered in G.O.No.1102-3-Med.36-19-39, dated 9th February 1920, leaves a permanent vacancy in the 3rd class of Surgeons, and the following substantive promotions are admissible with effect from 20-5-1920.

Mr. V.Abboy Naidu, Surgeon from 4th to 3rd class. and all the acting arrangements proposed in the above paragraph to be permanent.

7. There will still be an acting vacancy in the 4th class of Surgeons, for which the following seriatim promotions will be admissible with effect from 20-5-1920:-

1.Mr.S.Subba Rao, Surgeon from 5th class to 4th Ag.
2. " N.Rangachar. " 6th to 5th -do-
~~3. A third Assistant Surgeon, I Grade to Surgeon 6th class Ag.~~

Mr. M.Kasim's appointment ~~as~~ as 1st grade Asst:Surgeon, will make up the number in that grade to the sanctioned strength, vix., 16 and leaves no room for further promotions to officers from the lower grades.

8. The promotion of the undersigned as officiating Senior Surgeon, admits of the following acting promotions with effect from 1st July 1920:-

1. Mr. H.B.My.Vaganam, Surgeon 2nd class to 1st class.
2. " T.V.Kuppaswami Moodr., 3rd class to 2nd class.
3. " B.Md.Usmon. 4th -do- 3rd class.
4. " B.G.S.Acharya 5th class to 4th -do-

5. Mr. S.G.Asirvathu. from 6th class to 5th class.

6. A fourth Asst:Surgeon of the 1st brade to be surgeon 6th class, acting.

7. Mr. G.Deendayal Singh, Asst:Surgeon, II to I grade (Mr. S.Varadiengar his senior whose record of service is not quite satisfactory, is passed over for the present).

8. Mr. Darashaw Framji, whose promotion to the Senior Sub Asst:Surgeons' Grade has already been recommended to Govt.in this office letter No.G.C.54 dated 4th Aug.1920 to be promoted as Asst:Surgeon 2nd Grade. The promotion of Mr. Framji to the Assistant Surgeon's cadre is made in view of his special attainments referred to in my previous letter and my predecessor in office was also inclined to recommend him for the promotion. This promotion, if sanctioned, will result in effect being given to the direction of Govt.contained in the re-organization Order No.G.679-80-Med.69-16-4, dated 13th July 1918, (Para II) according to which two places in the Asst:Surgeons' grade have to be filled up by promoting deserving men of the Sub Asst:Surgeons' cadre.

9. The privilege leave granted to Mr. S.Ranganna expired on the 14th July 1920 and on his retirement with effect from the 15th July 1920, the acting promotions referred to in paragraph 7 above could be made permanent.
